On February 22, 1974 the Second Annual Evening of Conservation was held at the Town Hall with over fifty people attending. Slides were shown by Calvin L. Frink on flora of the Surry area and scenes of Surry Mt. fire location. Mary A. Foshier also showed slides of the birds seen in Surry, Maureen L. Bigelow developed and passed out a booklet on birds and their characteristics. Elliot W. Keach spoke on education and conservation.

It should be noted that the Historic Sign is placed within the State right of way in the village and was done with the cooperation and request of this Conservation Commission, and demarks Surry Mt. and Lily Pond.

Conservation Committee members have attended regional meetings and made local studies concerning the solutions to the dump problem.

The Commission also looked into a road situation in Surry regarding the raising of water and/or change of flow pattern of a stream, and checked the problem through the Department of Resources and Economic Development.

In coordination with the local 4-H Club, Calvin L. Frink took four Forestry Club members on a nature walk on the Austin Road studying rocks and environment. Mary A. Foshier, leader for the course, also took the same group through the Village on a tree identification walk.

On Monday evening January 20, 1975, a public meeting was held by the Conservation Commission dealing with Soil Surveying. Twenty-one people attended, representatives from the Planning Board, Board of Adjustment, Road Agent, Budget Committee, and Selectmen, Thomas Ghaisenton, County Soil Conservationist, spoke and showed informative slides on soil and its characteristics.

ANNUAL REPORT TO TOWNS GILSUM, MARLOW, NELSON, STODDARD, SULLIVAN & SURRY

The Agency has provided the services of a registered nurse on a visiting part-time basis for twenty hours per week. A registered physical therapist and a male licensed practical nurse are available by appointment on a contract arrangement. Nursing services offered include skilled care of the sick at home, health guidance and assistance in referral to other community resources.

The Child Health Conference which provides free medical supervision and immunizations to low-income families has been maintained. The clinics are held in the Gilsum Church on a monthly basis. This program has provided 23 children in 14 families with 58 doses of vaccines in 48 clinic visits.

This project is funded in part under agreement with the State of New Hampshire Division of Public Health, Bureau of Maternal and Child Health.

In addition a family health discussion group has been held in conjunction with the C.H.C. All parents are invited to this informal discussion with the doctor about pertinent health topics.

The Agency is certified to participate in the Medicare Program and receive payment for these patients eligible for Medicare. The fee per visit for nursing care is adjusted according to the patient's ability to pay. All health guidance and disease prevention visits are rendered free according to Agency policies.

It is the joint efforts of the people in our towns who have made these services available. Many have given their time to serve on the Board, on committees and in the membership drive. We are glad that all the towns have felt this service important enough to make appropriations for its support.
